CV — Yana Stamenova

OBJECTIVE

I educate, refine, and drive myself to be a better person.

After spending years in the news sector I decided to change my objectives and excel in new areas that I am excited about. I dig into machine learning and deep learning and discover my passion for solving problems that will make people's lives better.

Sofia University St. Kliment Ohridski
Master's degree, Financial Management · (2013 - 2015)

University of National and World Economy, Sofia
Bachelor of Science (BS), Macroeconomics · (2009 - 2013)

CERTIFICATIONS

Machine Learning Data Lifecycle in Production
Credential · Mar 2023

Skills: TensorFlow Extended (TFX) · Data Transformation · ML Metadata

Introduction to Machine Learning in Production
Credential · Feb 2023
Skills: ML Deployment Challenges · Human-level Performance (HLP) · Model baseline · Project Scoping and Design · Concept Drift

Deep Learning (SoftUni)
Credential · Feb 2020
Skills: TensorFlow · Computer Vision · Natural Language Processing · NN Architectures

C# Advanced
Credential · Dec 2019

C# OOP
Credential · Dec 2019

Machine Learning

Credential · Dec 2019

Skills: Logistic Regression · SVM · Ensemble Methods · Clustering · Dimensionality
Reduction

C# Fundamentals

Credential · Aug 2019

Data Science

Credential · Aug 2019

Skills: Exploratory Data Analysis · Regression Models · Data Processing · Data
Visualization

Math Concepts for Developers

Credential · May 2019

Skills: Jupyter Notebook · Hypothesis Testing · Probability and Combinatorics ·
Statistics

Programming Basics with C#

Credential · Apr 2019
